Camp Information:

These camp are designed for our high school athletes to familiarize themselves with our offensive and defensive principles as well as to develop individual skills and fundamentals. We will work on some basic offensive sets as well as discuss our defensive philosophies and designs. We will also work on shooting, footwork, passing and dribbling. These camps are a great opportunity for the coaches and players to work with each other and help in their development. We will work to instill our program principles of **Togetherness, Enthusiasm, Toughness, Accountability, Discipline, Competitiveness & Gratitude** . As well as prepare us for a very successful 2016-2017 basketball season. We thank you for your support of our athletes and program!
